# PHP-COVID TEST and VACCINATION System

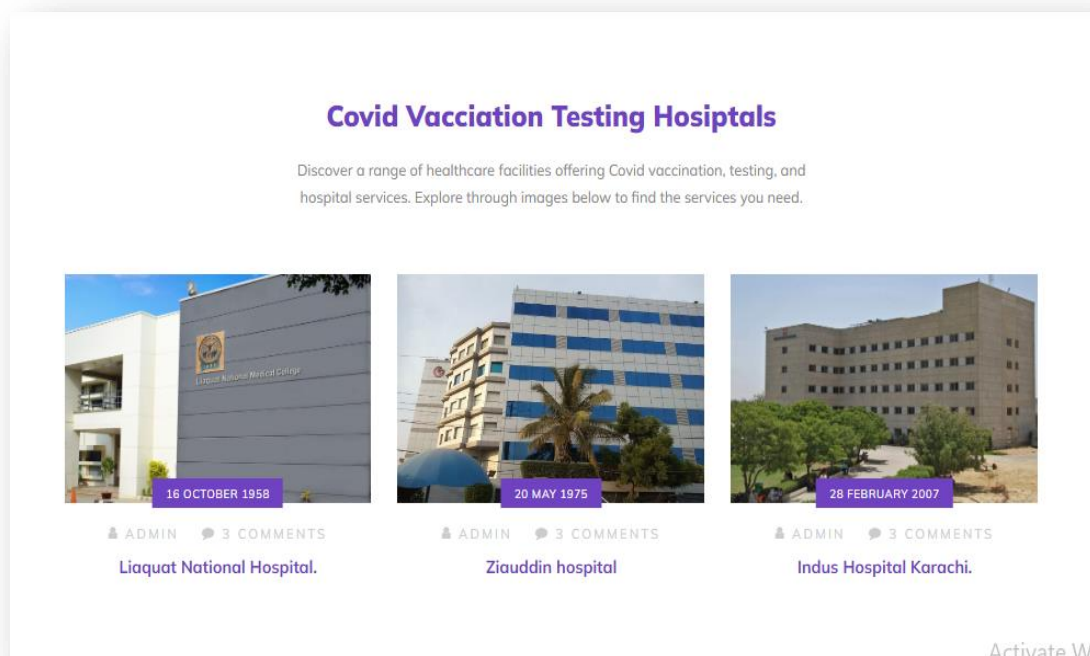

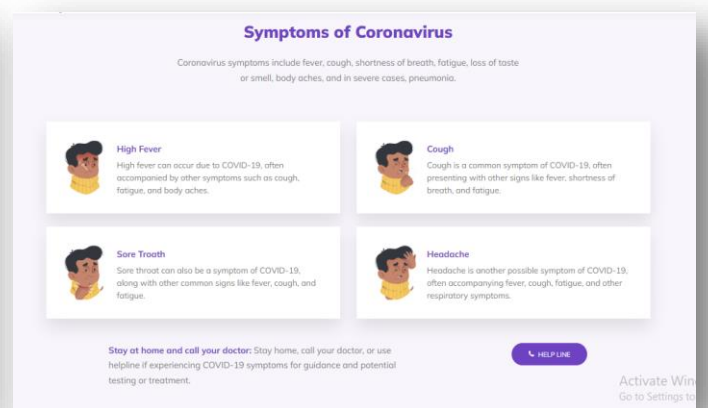

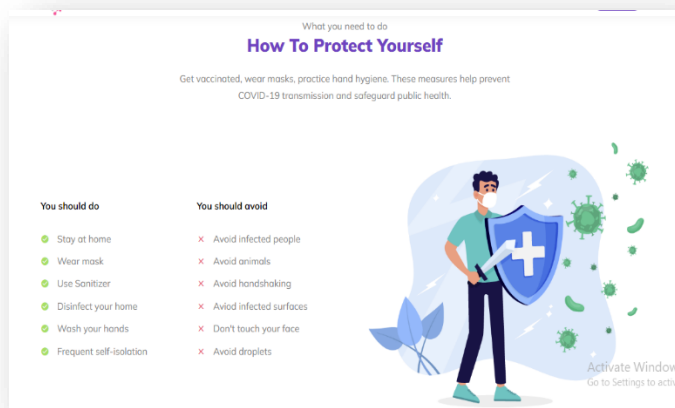

Welcome to our website Covid-19. This website is essentially a PHP-based COVID TEST and VACCINATION System. We are providing facilities to get COVID-19 vaccination testing done, or if there's any fever or anxiety, you can register yourself on our website, fill out an online form, and get your request accepted. We have completed this project according to its requirements with a complete DBMS.

## 1. Home Page View:

This is the home page of our Covid-19 Website.

- First of all, we will show you the complete home page of our website. This is the interface of our website....

## 2. Navbar:

This is the Navbar of our Covid-19 Website.

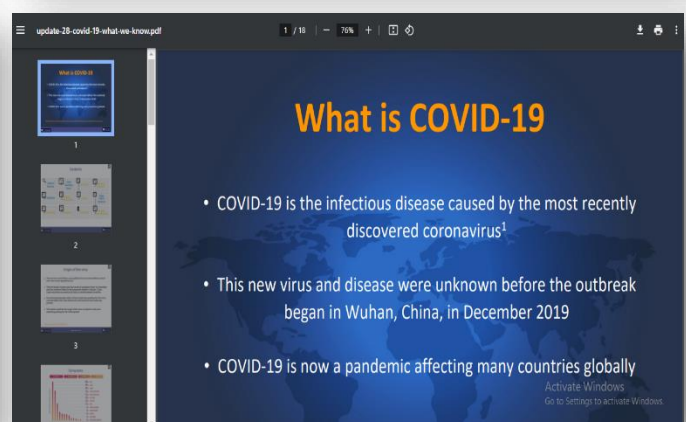

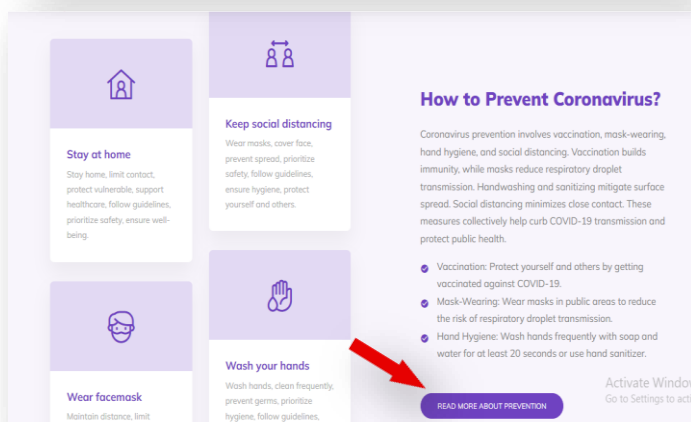

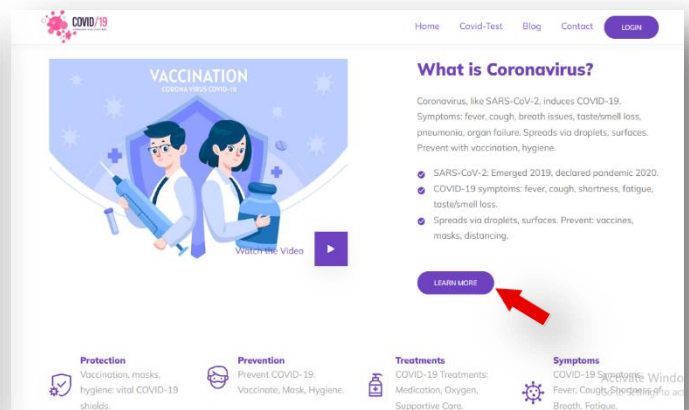

- ❖ The navbar of this website has the following sections: Home, Contact, Blog. All of them are working perfectly, and different pages have been added to each of them.
- ❖ In this website, all the links that have been given are functional, and each one of them leads to a page or content.

### 3. PDF Files in Buttons:

Providing a complete guideline in our Covid-19 Website.

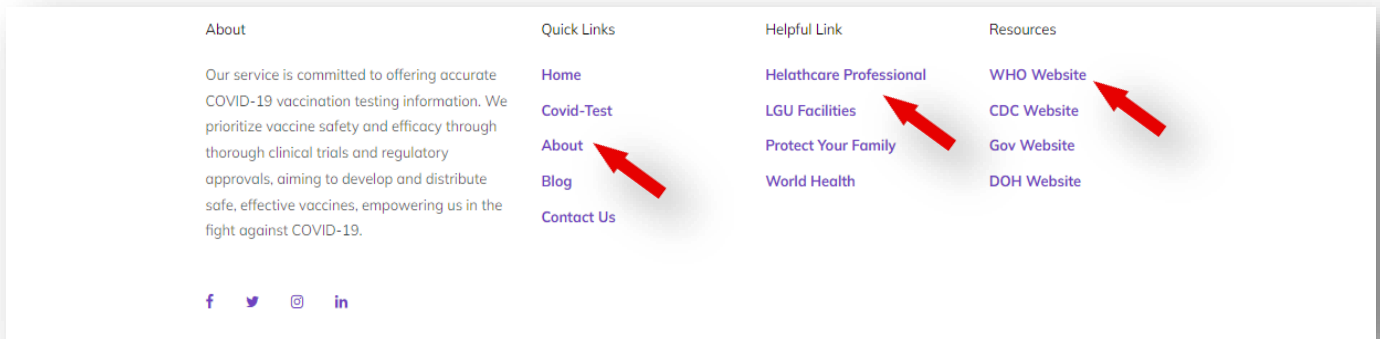

- ❖ We have provided complete guidance on every topic in the website, which you can access by clicking on the respective buttons.
- ❖ We provide comprehensive guidelines along with PDFs on what coronavirus is and how to take precautions against it.

## 4. Footer:

This is the Footer of our Covid-19 Website.

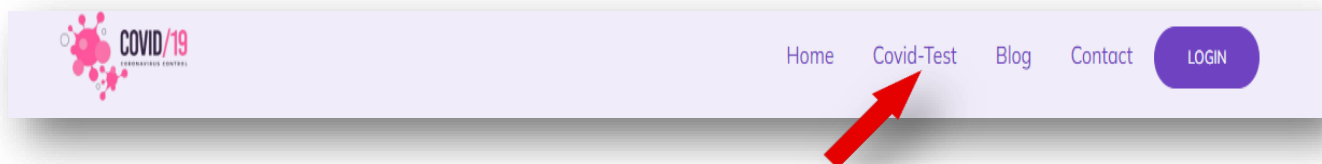

- ❖ This is the footer of our website, and it is fully responsive.
- ❖ All the links in the footer will redirect you to a new page.

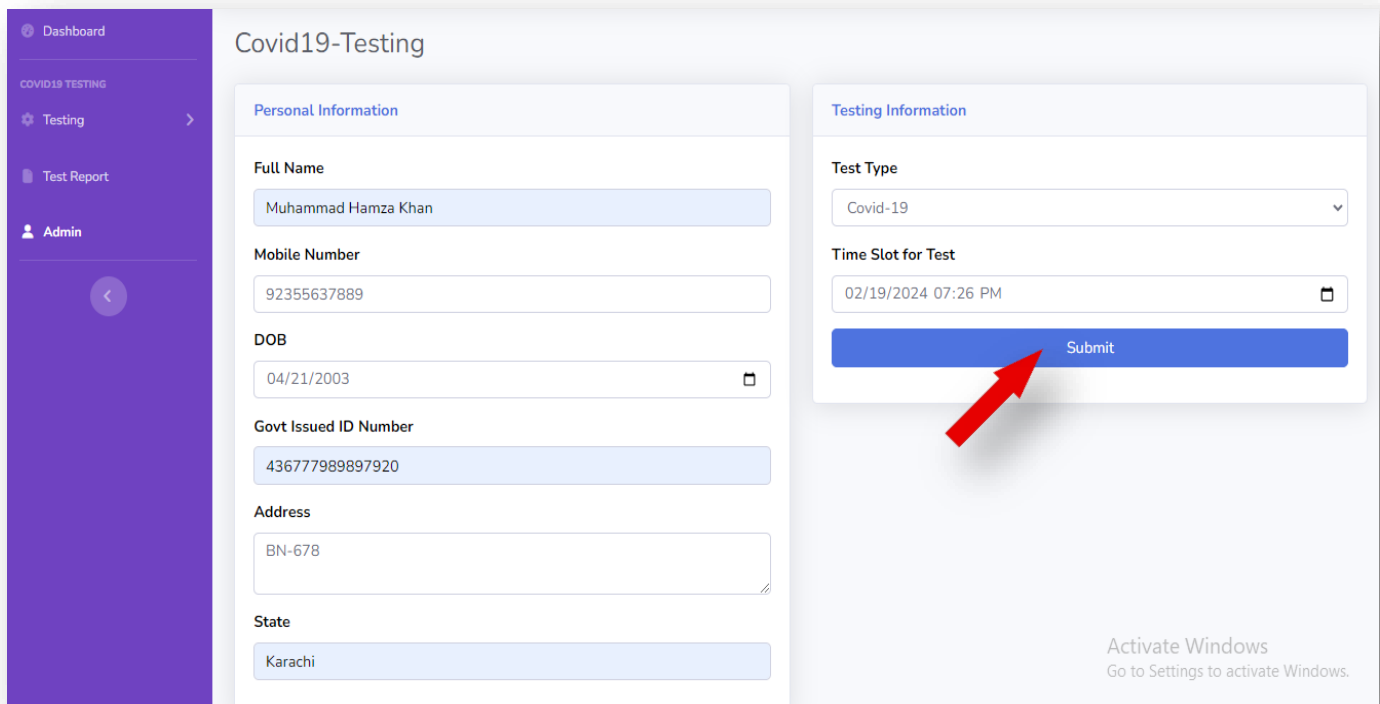

## 5. COVID Testing Form:

Basically, we have provided a form for COVID testing that works entirely dynamically, and all its records are saved in the databases.

- ❖ We will provide you with an admin panel in which there will be a dashboard and many sections.
- ❖ We are also providing registration to you. You can register yourself and fill out the test form.
- ❖ You can also obtain your test report from here by entering your details. Everything here is fully workable.

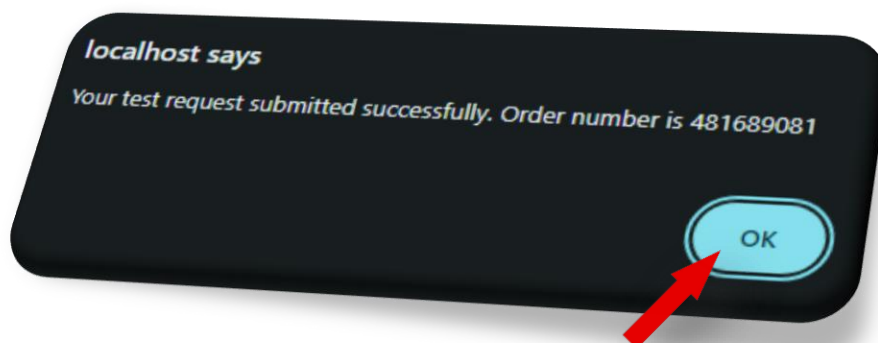

❖ Please fill out the form completely.

The screenshot shows a web application interface for 'Covid19-Testing'. On the left is a purple sidebar with navigation links: 'Dashboard', 'COVID19 TESTING', 'Testing', 'Test Report', and 'Admin'. The main content area is divided into two columns. The left column, titled 'Personal Information', contains fields for 'Full Name' (Muhammad Hamza Khan), 'Mobile Number' (92355637889), 'DOB' (04/21/2003), 'Govt Issued ID Number' (436777989897920), 'Address' (BN-678), and 'State' (Karachi). The right column, titled 'Testing Information', contains a 'Test Type' dropdown menu (set to 'Covid-19') and a 'Time Slot for Test' field (02/19/2024 07:26 PM). A blue 'Submit' button is located at the bottom of the 'Testing Information' section, with a red arrow pointing to it. At the bottom right of the page, there is a watermark that says 'Activate Windows Go to Settings to activate Windows.'

❖ As soon as you click submit, your data will be successfully saved in our database, and you will receive an alert.

❖ As you can see, the data you provided has been saved in our records.

Server: 127.0.0.1 Database: covidtmsdb Table: tblpatients

Showing rows 0 - 5 (6 total, Query took 0.0003 seconds.)

`SELECT * FROM `tblpatients``
